All NSSBD events follow Canada Snowboard Helmet Policy which includes mandatory helmet use in all areas including start/finish areas for all attending including athletes, coaches and spectators.

EVENT DETAILS & SCHEDULE

A banked slalom race is a technical alpine event where riders race down a terrain course which may include rollers, banks, and other obstacles, requiring a blend of speed, control, and carving technique.

Provincial Series athletes get three runs, with their two fastest times combined for their final time. The winner is the rider with the fastest combined time.

GROM Series athletes also get three runs, but only their fastest time counts. This provides for more opportunity to practice and refine each run to progress throughout the event for younger athletes.
